ASANA

PREMIUM ASA DECO SHEETS

ASANA's ASA Decor Sheets exemplify premium wall coverings, merging advanced technology with superior aesthetics. Crafted from Acrylonitrile Styrene Acrylate (ASA), these sheets offer exceptional durability and style.

ASA, a high-performance thermoplastic, provides outstanding resistance to UV radiation, moisture, and temperature variations. ASANA harnesses these properties to create decor sheets that excel in both form and function, offering a wide range of designs from subtle to bold.

KORE DECOR WARRANTY

Our verbal and written advice relating to technical applications is based on experience or stored and is correct to the best of our knowledge, and given without obligation. The use of KORE DECOR products by user in various conditions that are beyond our control. We recommend that the suitability of any KORE DECOR products for the intended application should be checked by user before the utilization. Utilization and processing of our products are beyond our control and are therefore exclusively user responsibility. Application errors, weather instability, low workmanship skill cause cracks and air bubble in furniture. Inferior quality chemicals used substrate (Plywood/MDF) cause yellow patches from back inside sheets. Due to import product company not get any warranty /guarantee from supplier, so company cannot give any warranty/guarantee also. No complaints will be attended and no claim will be settled. In the event of manufacturing defect KORE DECOR is liable to entertain it within one year from date of purchase, after one year from date of Purchase Company will not Attend any type of complaint. Any compensation will be limited to the value of the goods supplied by us and used by you. We recommend KORE DECOR bond for application of ASANA premium ASA deco sheets for good bonding with substrate.

Note:
Use same batch material to avoid colour variation, avoid it from direct sunlight.
