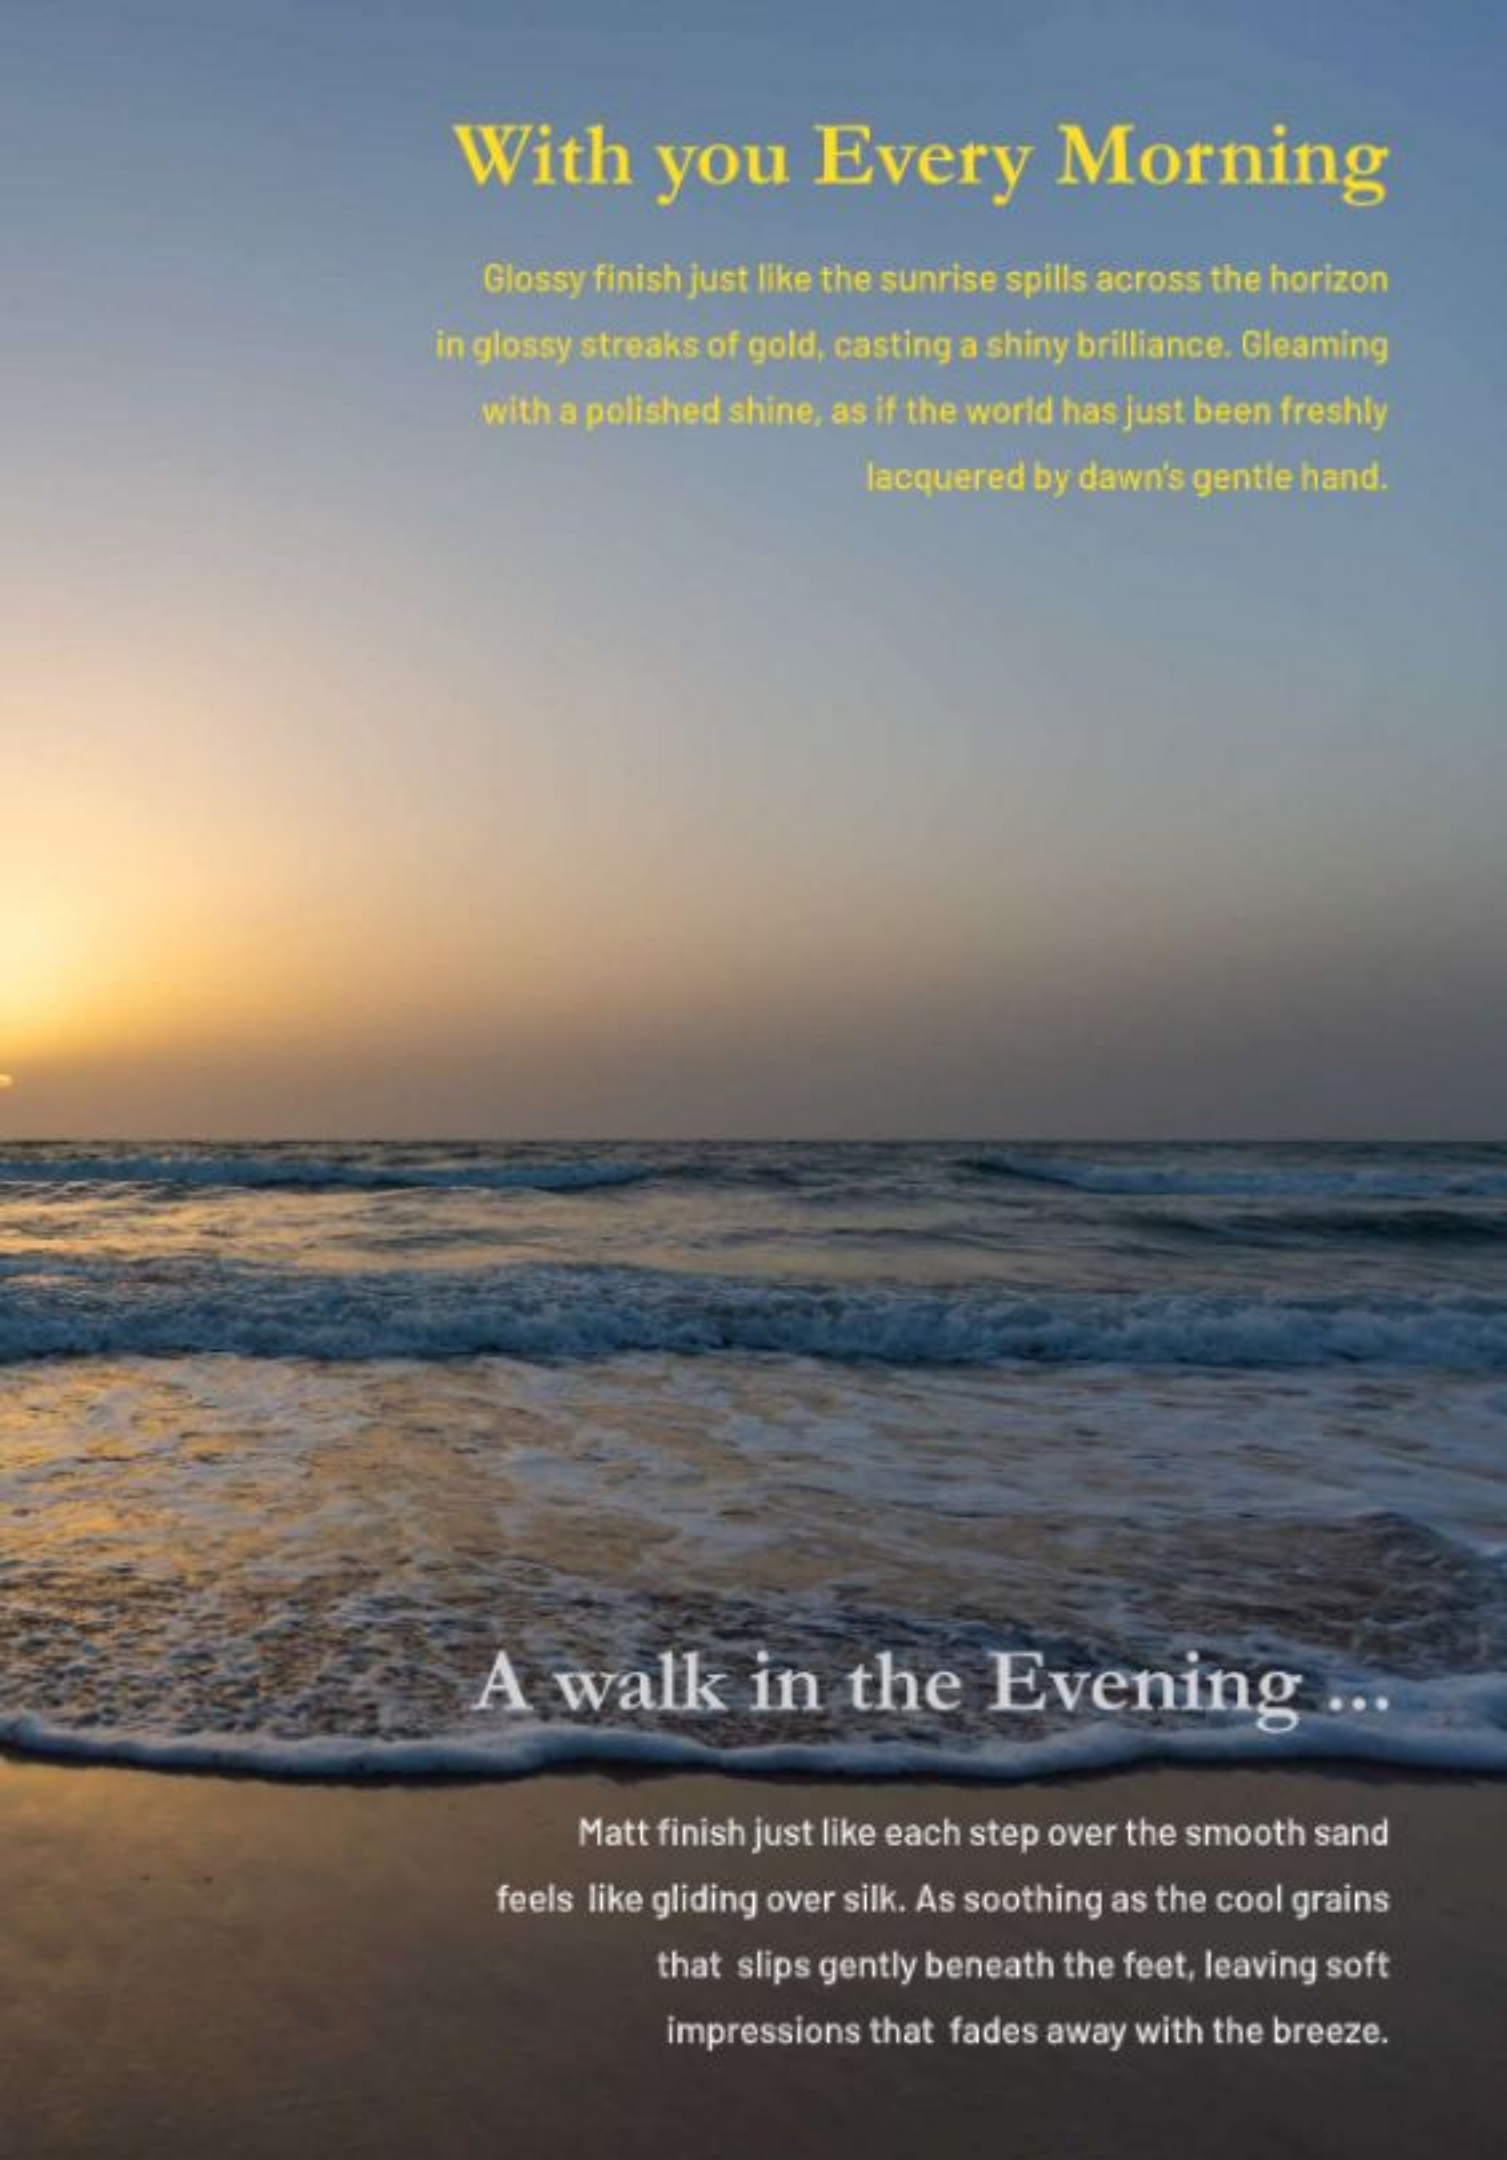
Cosmic Decor®



With you Every Morning

Glossy finish just like the sunrise spills across the horizon in glossy streaks of gold, casting a shiny brilliance. Gleaming with a polished shine, as if the world has just been freshly lacquered by dawn's gentle hand.

A walk in the Evening ...

Matt finish just like each step over the smooth sand feels like gliding over silk. As soothing as the cool grains that slips gently beneath the feet, leaving soft impressions that fades away with the breeze.
